The Bucks County Community Foundation is pleased to announce our 2019 Scholarship Award Recipients. Each year, our non-profit organization awards scholarships to qualifying Bucks County residents graduating high school and attending higher education. Since 2017, we have awarded \$21,350.00 in college scholarships and have donated over \$10,000 to area tech schools for the trades as both education and training are important for our youth to better and sustain themselves in society.

Our college scholarships are based on commitment to community or family. Each applicant had to submit an essay to document devotion and service to people, community or family.

This year we are pleased to award scholarships to:

Student	Town	High School	Attending College/Major	Amount
Sydney Steere	Springfield	Palisades High School	Moravian College / Forensic Psychology	\$1,500.00
